Please see the draft suggested talking points, and let me know if you have any questions.

Mita/Suzanne/Matt/Michael/Kavita – I took a conservative approach in what I drafted, but if you have any comments please share those. Thanks!

Subject: Miccosukee Annual Meeting

During the COE presentation this morning, Jeanine Bennett, the Tribe's attorney, asked the COE presenter if WCA-3 was considered "Indian Country". The COE said they do not make that determination. It was an EPA determination. The Tribe said that EPA said during the consultation call that the determination was a COE determination. Jeanine voiced frustration with being bounced between the COE and EPA. The Tribe may bring up this issue this afternoon during your presentation.
